...that by believing you may have life in his name." In 20:31

Christmas Project

Thanks to the folks at the Church of St. Clement; we were able to provide many families in Juarez with Christmas gifts! What a blessing to be the gift bearers. They had a big Christmas tree with cards hanging in place of ornaments. Each card listed: the name of our ministry, the name and age of the child and what their need was. Violence continues to affect the entire city of Juarez and many families face difficult winter months. We enjoyed bringing a bit of surprise and joy to a few of these!!

Christmas Service

“ Venid Fieles Todos” (O come all ye faithful) filled the sanctuary and warmed our hearts as we praised the Lord together. Ken and I were pretty tired by the time Christmas came; and I have to admit, we wanted to sleep in, but what a gift from God to have a Christmas morning service! It was wonderful to keep it all in perspective! We presently are in need of someone with musical talent to help lead worship at our services. But we had a man who volunteered to play guitar on Christmas, so Pablo and Esme led us in worship. Praise God!

Pray with us for the Lord to provide an individual with a heart of worship, ability to sing, ability to play guitar or piano, and ability to speak Spanish.

Building Project ran smoothly

[Broken Hearts Ministries](#) from Venice, FL was a pure joy to share time with!! A 30 X 16 foot building now stands with its frame and roof!! These men worked hard and efficiently! There is so much potential for this building and we are looking forward to putting it to use! The building was already put to use when we celebrated a Christmas fiesta!! Roughly 200 people gathered to be fed spiritually as well as physically!

Pray with us for the provision of materials to put shingles on the roof, wood panel exterior walls, electrical and interior details to finish the building.

Our Christmas

We were able to spend lots of time in Juarez with no school and less work getting in the way. Ken was able to bring the gospel message to a Christmas party with the ESL students. We hosted, we celebrated, and we were very busy; but enjoying every minute of it!! Once again, we thank you all, with all our hearts, for what you have done so faithfully. Whether by praying, giving or encouraging, you have been a huge part of keeping us here in the borderland!! May the Lord bring an abundance of His peace and love in your lives in this new year!
